pau hana

Friends, food, drinks and laughter – the perfect pau hana combo. It's what people in Hawaii call this part of the day literally meaning "done work"; when the sun sets, we clock out of work and slide into some R & R time with friends. Similar to happy hour, pau hana in Hawaii can be enjoyed on land or in the ocean. It's a cheers to the end of a good day with good food, delectable drinks and laughs.
