

# HAPPY HOUR

Tuesday thru Friday

5pm - 7pm

## INAMORATA I4

ARCHETYPE: SUMMER SANGRIA

rhubarb. raspberry. orange. rose wine. brandy.  
east imperial grapefruit tonic.

*The linguistic translation is to refer to somebody who is your lover, however the literal translation comes from a root that is to mean enamored, as we think you'll be with this delicate drink.*

## PAUSA PARA PEPINO I4

ARCHETYPE: MARGARITA

arete blanco tequila. cucumber. lime.  
black lava salt paint.

## SAILOR'S DELIGHT I4

ARCHETYPE: PIÑA COLADA

engine gin. aperol. coconut. pineapple. lemon.

*There's an old sailing adage that starts with: 'red sky at night, sailor's delight.' Basically when we see a red sky at night, good weather will follow for a day of smooth sailing. This is a lovely cocktail that would pair well with a red sunset... or at least make you think of one.*

## SWEETER THE JUICE I4

ARCHETYPE: BRAMBLE

sagamore rye. blackberry. mint. lemon.  
east imperial yuzu lemonade.

*This drink came along as the idea of something that was a summer porch-worthy, crowd pleaser. A form of neighborhood escapism.  
Much like the movie Friday where the name of this drink is taken from.*

## MILLER HIGH LIFE 5

ARCHETYPE: CHAMPAGNE OF BEERS

it's light, crisp, & clean.
